RD REPORT CONTINUED -- part of the CMS team, which put 8 finishers in the top 17. Edward Myers from Pennsylvania was the top senior in 26th overall, breaking the old course record by more than four minutes. Ed Alibozek Jr. was the top veteran, breaking his own course record by more than 1½ minutes.

On the ladies side US Mountain team member and former National snowshoe champion Kelli Lusk took an impressive victory placing 21st overall. Janice Morra was equally impressive taking 2nd place and 1st master and breaking the course record by nearly 5 minutes. Carol Kane was top senior setting a new course record in 49:48.

I was very surprised by the number of course records set until I went out to retrieve the course markers. Rich Bolt said, "It is amazing how packed the course can get with 80 people going by". We had a great finish to the day going out and running the loop again to pick up the flagging. Much thanks to: Rich, Jim, Kevin, Ben, Dan, Paul and Kelli for helping out so much. Thanks again to Cathy, Leslie and MJ for helping with registration and timing. Thanks to Gary for taking pictures and helping with registration, timing and typing up results. Thanks to Mark for taking care of USSSA business and helping with timing, results, and awards. Thanks to Bill Gabriel and the fine people at Northfield Mountain for allowing us to use their wonderful facilities. Thanks to Bob Dion for all the loaner snowshoes. Thank you to Welch's for the juice! Finally thanks to everyone who came out and made the race a success (especially the huge number from WMAC). I feel very fortunate to have so many friends.
