Dave Dunham comes through again with another weekly update!! Dave says Ben Nephew and Abby Woods can't be caught, we can announce them as 2009 WMAC DION Series Champions! Also, Ken Clark is set in stone for Total Points, and Laurel Shortell, while not mathematically set, is unlikely to be passed for Total Points. We'll see Saturday at Catamount!

I could have sworn we started the year with a plan for 16 events; we have 16 races in with Catamount still to come. That means 17? I think the Greylock Covered Bridge initially was to be a single race, but Paul and I got carried away and made it a two-for-one. Next year, we hope the snow is as dependable and we can do the two-for-one at Covered Bridge / Hoxie and also have a two-for-one in Hawley also. I will have to check with Peter Malinowski first though, to see if he will be willing to take down ribbons after a double Hawley event. He has really been a big help at the Kiln for us, brining back our arrows even.

It has been another really fantastic season, Thank You! to everyone who participated! It is a relief when it is over, but it is a little of a bummer too, as we have had a lot of fun and I know I have met many great people again this season. One left, see you Saturday at Catamount!
