**** Somewhere along the way it looks like the timing ended up "off"; maybe one place (I am basing this on finishers #148 & #149 Bill Glendon and K2, who also mentioned someone told them about it at the finish).

I believe that the finish order is correct, so points awarded for the WMAC Dion Series should be accurate. If or when anything changes, I will make the adjustments to this Results Page.

Thanks for supporting our series, and especially thanks to Laura and Jeff and all of their helpers over the weekend.
